

BCA Spring Meeting 2005

Loughborough, 11-14 April 2005

<http://www.crystallography.org.uk/meets/bca05/bca05.htm>

British Crystallographic Association

The 23rd Annual Spring Meeting of the British Crystallographic Association will be held in the James France Conference Centre at Loughborough University. As well as the main meeting, 12-14th April 2005, there will be a programme of satellite and workshop meetings on Monday 11th including a one-day CCP4 workshop.

David Blow Poster Prize
Trophy + £100 for the best BSG poster

Bursaries

We are committed to keeping down our costs, particularly for students.

Bursaries are available for students, with online application available from the BCA website

www.crystallography.org.uk/admin/bursform.htm

You must present a poster and apply before 18th February!

Selected BSG Programme highlights

Plenary Session includes

Dr. J. Rafferty (Sheffield)
'Structural studies of DNA Holliday junction resolvases'

BCA Prize Lecture:

Dr. Andrew Leslie in honour of
Uli Arndt and Alan Wonacott

At and in the Membrane including

Prof. R. Stroud (UCSF, USA)
Prof. P. Gros (Utrecht, The Netherlands)
'Translocation unit of autotransporter NaIP from *N. meningitidis*'

High-throughput crystallography: more biology and new drugs including

Prof. S. Burley (Structural GenomiX, USA)
'Structure-guided fragment based drug discovery'
Prof. S. Hasnain (SRS-DL)
'Combined X-ray approach for studying metalloproteins function/misfunction: A powerful approach to Metallogenomics'

Modern refinement including

Dr. C. Bond 'Identifying metal ions'
Dr. T. Schneider (Milan)
Dr. G. Murshudov (York)

Typical Costs for BCA members:	One Day Registration + lunch (Conference dinner +£30, for students +£15)	£70.50
	Student Registration, full board, 2 nights accommodation, plus conference dinner	£152.50
	Full Registration, full board, 2 nights accommodation, conference dinner	£232.50

Deadlines

Abstract submission: www.chem.gla.ac.uk/bca2005

14 January 2005 (Abstracts for consideration as contributed talk)

18 February 2005 (general Abstracts; Bursaries)

14 March 2005 (Early-bird Registration for reduced Fee)
